## COTEC PAINT TINTING DISPENSER

Coating Technologies Limited has a full range of quality paint mixing and tint dispensing equipment. Pricing is very competitive; we carry spares and service the equipment.

The tinting equipment comes in a number of combinations, e.g. Bench or floor mounted, Pot numbers (12, 14, 16, 20 canisters). The canisters are stainless steel (2.7 litres). Dispensing measurements are available in either metric or imperial combinations.

### FEATURES

- \* Can be used for water or solvent combinations.
- \* Canister capacity, 2.7 Litres, 304 stainless steel.
- \* Maximum single discharge is 59 mls.
- \* Double-pump and double-gauge.
- \* Ceramic valve, resists colourant erosion.
- \* Accuracy – Dependant on the gauge type.
- \* Power – 230 volt AC.
- \* Power consumption – 60W.

## DIMENSIONS

Bench Mounted 16 Canister:	Width (W)	=	0.90 m
	Height (H)	=	0.87 m
	Weight	=	130 kgs (approx)

Floor Mounted 16 Canister:	Width (W)	=	0.90 m
	Height (H)	=	1.50 m
	Weight	=	140 kgs (approx)

## LIMITATIONS

- \* The machine is not flame proof and hence can not be used in a workplace where full flame proof requirements are necessary.

## WARRANTEE

- 1 12 months parts warrantee from date of delivery.
- 2 Out of Auckland is based on a return to Coating Technologies Ltd (Auckland) basis if problem can not be resolved on site.

## REPAIRS AFTER 12 MONTHS

- 1 Out of Auckland is based on a return to Coating Technologies Ltd (Auckland) basis, if problem can not be resolved on site.
- 2 Auckland district. Coating Technologies Limited's technical will visit and repair if necessary, at a fixed hourly rate of \$75/hour + gst, plus cost of parts.

## WARANTEE EXCLUSIONS

- 1 If the machine has NOT been operated to the instructions, or to a "normal" handling procedure the warrantee may be revoked.
- 2 If the machine has been "repaired" by a party that has not been approved by Coating Technologies Limited the warrantee may be revoked.

Combination of mixing machine and tint dispenser are also available. The picture shown is the floor mounted 16 pot dispenser with the automatic Supa Shaker.
