

## EPOTEC MATERIAL GUARANTEE

Coating Technologies Limited guarantees that Epotec NT Epoxy is manufactured to specification in accordance with an audited quality control system. The performance of our products and systems are dependent upon the correct preparation and application of all the components in strict accordance with the relevant written instructions. On-site application is beyond our control and Coating Technologies Limited cannot guarantee workmanship or the correct preparation and application of its products or systems. Likewise, the environment the coating is subject to is beyond our control and Coating Technologies Ltd cannot guarantee the performance of the coating when subject to variations in water quality, water chemistry and pool use.

Epotec NT has been formulated to take advantage of 25 years of successful swimming pool coating technology. If the correct surface preparation, mixing, and application techniques are followed the life expectancy of the coating will be at least 5 years.

Coating Technologies Limited's liability (In contract, Tort negligence or otherwise) for any loss, damage, expense cost or liability arising from the application of the Epotec product is limited to making good any defect solely attributable to Coating Technologies Limited's manufacturing process. This liability shall be for a period of 2 years from the date of application. Coating Technologies Limited shall not be liable for any defective site workmanship or application of its products by any contractor or other person, nor for any loss or colour change due to UV light degradation, abnormal wear and tear or abnormal chemical reaction.
